

TryMyApps Launches Its Third Lucky Round for App Users

TryMyApps launches its third lucky round, offering app users a chance to earn more than \$100 via sending new app users.

CHICAGO, ILLINOIS, USA, April 28, 2016 /EINPresswire.com/ -- Since its establishment, [TryMyApps](#) has helped thousands of app developers to get higher ranking in App Store and Google Play via App Store Optimization. Besides, this company also offers numerous chances for app users to make money online and get paid apps for free. Recently, TryMyApps transferred its ASO business to [ASOTop1](#). Now, it is dedicated to helping app users to make money online. To attract more app users, this agency recently launched its third lucky round to encourage people to invite their friends to sign up as TryMyApps users and win \$100 bonus.

This activity starts at 12am, April 19th, 2016, and ends at 12am, May 20th, 2016, Beijing time. People around the world can take part in this activity. However, there are several requirements. First, participants must be TryMyApps users. As for people who are not, they can install TryMyApps from App Store or Google Play, and then create an account. Each user will get an exclusive referral code.

After creating an account, people need to write posts to introduce how they make money with TryMyApps. Next, go to TryMyApps' official Facebook page to leave a comment below the company's event post with a referral code and post links. Then, invite friends to sign up as TryMyApps user with their referral codes and complete several tasks in a correct way. Note that people at TryMyApps will manually verify each invite. Therefore, people need to ensure that they send their friends the right referral codes.

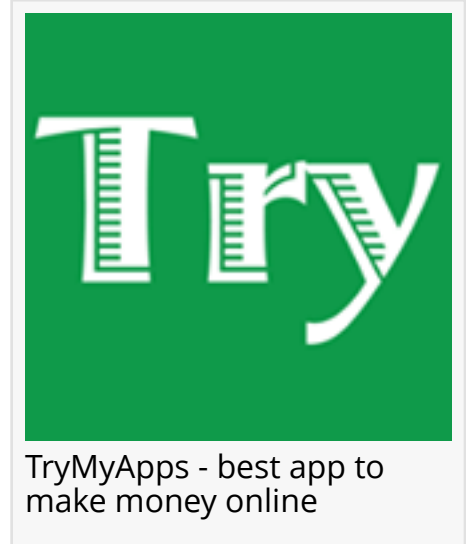

During the activity timeframe, participants will earn at least \$10 bonus by sending TryMyApps new users. In addition, if they send more than 100 new users to this company during the activity timeframe, they will even be paid more than \$100 bonus. This agency will announce winners on May 23rd, 2016. If you want to know more about the activity details, please contact TryMyApps support on their official site or send messages via Facebook.
