Its Television, Radio and Social Media  
Smash Hit to Life through Partnership  
with B.A.N.G. Productionz in Support of  
FACES on September 24

HOUSTON, Texas – Nearly six months ago, Ms Cat TV debuted “The Playlist,” a nationally syndicated broadcast showcasing the country’s hottest indie and emerging music talent. Recognized as one of the few platforms to give new artists a voice and access to a nationwide audience via television, radio and social media, the show is now giving artists a chance to shine in front of a live audience when “The Playlist” hits the stage on September 24 at Avya Center Concert Hall.

The showcase, launching annually in partnership with B.A.N.G. Productionz,

will feature 10 talented independent artists representing multiple music genres. In an effort to help the artists gain greater visibility, they will have the opportunity to be interviewed by major media outlets, including 93.7 The Beat, Hip Hop Weekly, Love2Jam Radio, GMT Radio and Chuck’s Corner Radio via Texas 101 Jams.

In addition to entertaining Houston’s music fans and gaining mass media exposure, the artists will also be lending their voices in support of the Foundation for Autism Care, Education & Services (FACES), a nonprofit organization that promotes education, service and Applied Behavior Analysis (ABA) therapy for families faced with Autism Spectrum Disorder.

Tickets for the live stage production of “The Playlist” are currently on sale at [www.theplaylistshowcase.eventbrite.com](http://www.theplaylistshowcase.eventbrite.com). A portion of the proceeds will benefit FACES. Sponsorship and vendor opportunities are also available. Benefits include access to hundreds of patrons and broadcast media coverage provided by Ms Cat TV locally via Comcast, TV Max and AT&T and nationally at [www.hmstv.org](http://www.hmstv.org). Print media coverage will be provided by Heavy Rotation magazine.
