

Moving Beyond the Rhetoric

Press Profit Provides a Tool to Help Grow the Economy

SAN FRANCISCO, CA, UNITED STATES OF AMERICA, May 2, 2016 /EINPresswire.com/ -- Press Profit announces a new solution to the country's small business decline. A group of successful small business owners decided to pool their knowledge and resources together to create Press Profit and help tackle the problem head on.

"The decline in jobs can be directly tied to a decline in small business success. Press Profit was designed to give entrepreneurs with an idea the roadmap to growing a profitable business." CEO Jessica Taylor.

Small businesses' employ almost half of the private sector workforce. Two thirds of our nation's net new jobs are created from small business. A decline in small business means a huge impact on our national economy. Helping small businesses thrive in today's economy is vital to our continued economic success and a huge topic in this highly visible and unique election cycle. With the economy a top priority among voters on both sides of the aisle, candidates have introduced plenty of ideas to help jump start small business. From pairing back on regulations and cutting business taxes, to unlocking access to capital. All these positions can help open the door to growth and Press Profit will provide a path to get through that door and create a profit.

For less than \$50 and 20 minutes of your time, Press Profit will send you a [customized](#) business plan and step by step checklist to turn your creative idea into a profitable business. The information includes a thorough blueprint; from marketing to financial. The founders spent years researching what was needed in their own startups, and now are sharing this information with the masses. Many entrepreneurs failed to turn a profit because they lacked the legal, financial and logistical structure needed to catapult their start up business to success. Press Profit provides the link from great idea to prosperity.

"The [tools](#) and template I received from Press Profit was critical to taking my idea and turning it into a business. It filled in the gaps I needed to get my business off the ground" Tera Brazas, SqueezN CEO

Tera Brazas was one such entrepreneur with a great idea but needed direction to help her get started. After getting the customized tools from Press Profit, she was able to start her S corporation, hire a team and raise the vital early funds she needed to develop her app. Press Profit has developed a tool to move beyond the rhetoric to provide a clear solution to small business growth.
