Footnanny brand has enjoyed a world-wind of successes beginning with a tweet by Oprah Winfrey, selected for two years in a row for O Magazine’s Favorite Things, featured on the popular shopping show HSN and Good Morning America segment “Deals and Steals.” With Mother’s Day around the corner, shop all the Footnanny products at [Footnanny.com](#) or [Amazon.com](#).

Williams aka Footnanny expanded her brand to include foot bath salts with therapeutic properties of essential oils of rosemary, sage, parsley, thyme and lemon combined with three power salts: Himalayan, Dead Sea, and Epsom to create the perfect balance of a natural foot detox. “I

developed a special blend of shea and cocoa butters, aromatherapy, and vitamins in a rich foot cream to give tootsies wellness beyond a pedicure,” said Williams.

For years, Williams has been on a mission to promote health and wellness for feet globally. The Footnanny Foot Cream has been the ultimate indulgence for Ms. Winfrey, her long-time companion Stedman Graham and best friend Gayle King. Celebrities and dignitaries, such as the First Lady of the U.S. Michelle Obama, Valerie Garrett, Maria Shriver, Taraji P. Henson, Randy Jackson, Lady Gaga, Loretta Devine, Omar Gooding, Cicely Tyson, Bellamy Young, Sela Ward, Rita Wilson, Patrick Faucette, and more have experienced the “dream” cream.
