

Goodbye “traditional translators”, TAKEASY starts a new time!

TAKEASY is the first one-to-one instant live human translation app.

WHUAN, HUBEI, CHINA, April 22, 2016 /EINPresswire.com/ -- For travelers, students, business people and others, a simple translation app is now available to carry out translations on smartphones. The app is available for both Android and iOS platforms, and it supports multiple languages, including English, French, German, Russian, Korean, Spanish, Japanese, Chinese and Portuguese. The instant [translate app](#) could be a necessary translation tool for anyone visiting a foreign country. It can help a person to communicate effectively in a foreign land by instantly translating words and sentences from a foreign language into the person's native language.

The app has been designed to offer live human translation that can be effective in one to one translation and while communicating with others in a foreign language. It is aimed at making people speak their own language anytime and anywhere. It can translate texts, pictures and audio, allowing an individual to gain a complete control on a foreign language for an effective communication. One just needs to download this useful mobile application and install it onto their mobile phone. Make an online free call to connect our translators!

In the modern times, more and more people are traveling to foreign countries for vacations or business purposes. The unfamiliarity of a foreign language often comes as a barrier for people to enjoy their vacation or when it comes to close a business deal. TAKEASY could prove one of the important [language barrier solutions](#) that one can easily use to overcome the difficulty of a foreign language. The app can translate anything that one fails to understand, which may include the food menu, local signage or anything else. For many, it's a handy tool to overcome the obstacle of not knowing a foreign language.

With TAKEASY installed on a mobile, a person doesn't need the services of a translator or an interpreter to read and understand a contract written in a foreign language. The mobile application does all the translation tasks. The user only needs to register TKAEASY and points the translation needs, and our online translator will finish your problems in seconds. It can help save both time and money for a traveler, shopper or a businessman in a foreign country.
