APRIL 12, 2016— According to a recent interview with [California CEO Magazine](#), the Medical Director and CEO of [Mission Pediatrics](#), Inc. Dr. Tim Watson just launched a new recruitment campaign using video to seek out [Pediatricians](#) who are passionate about their career and who also love making a difference in a child's life. Mission Pediatrics, Inc. is a privately owned medical practice based in Riverside County California, and has immediate openings for Board Certified/Eligible Pediatricians and Advanced Care Practitioners.

The Inland Southern California Region, more specifically Riverside County, is in need of more Doctors, Physician Assistants and Nurse Practitioners. The region is centrally located to Los Angeles, Newport Beach, Palm Springs and San Diego. An hour's drive to the beaches, mountains and deserts, and thus offering a wide range of lifestyle attractions and landmarks. As the region has grown, so has the need for medical professionals. Mission Pediatrics, Inc., one of the regions most recognized medical groups, is looking not just for any physician but one who is passionate

about their future as a doctor. In a short video presentation, Mission Pediatrics Medical Director, Dr. Tim Watson, explains the benefits of practicing medicine in the Inland Southern California Region and with Mission Pediatrics.

Dr. Watson and his team would be honored to have you join their medical group if you are Board

Dr. Watson also explains the advantages of working in a private practice. “This is the true frontier of medicine,” said Watson, “and it gives me the most control of my destiny and the most autonomy with patient care. I don't have a giant bureaucracy to answer to, and I can make patient care changes like turning on a dime. I can care for people I want to care for without having insurance companies or front desk nurses turn them away, it's my choice.”

As a physician or advanced care practitioner, if you are looking for a place that lets you consistently use your skills, a place that lets you practice the kind of medicine that makes

you happy, a place that lets you be creative and supports you, then look no further because you're looking for a place like Mission Pediatrics.
