

Tactical Communications Group and Airborne Tactical Advantage Company to sponsor Fast Jet Pilot Training Eastern Europe

Tactical Communications Group (TCG) and Airborne Tactical Advantage Company (ATAC) joins as the latest sponsors of Fast Jet Pilot Training Eastern Europe.

PRAGUE, CZECH REPUBLIC, May 10, 2016

/EINPresswire.com/ -- [Fast Jet Pilot Training Eastern Europe](#), which is being held with support from the Czech Air Force, will provide the ideal platform to discuss the implementation of new technologies such as simulated flight training and advanced trainer aircraft into current pilot training systems for improved interoperability amongst regional partners, as well as conversion to more modern fighter jets in the wake of higher operational demands. The two-day event will enable you to [network with senior air force procurement decision makers](#) while there is still an opportunity to influence their decision making before the establishment of the new 2018 NATO International Joint Training Centre.

Furthermore, SMi is proud to announce that Tactical Communications Group (TCG) and Airborne Tactical Advantage Company (ATAC) has just joined DRS Technologies, Aero Vodochody, Omnipol, VR Group, ZLIN AIRCRAFT a.s., Draken International and CAE, in sponsoring Fast Jet Pilot Training Eastern Europe, which is taking place on 9th - 10th June 2016 in Prague, Czech Republic.

Key industry sessions at Fast Jet Pilot Training Eastern Europe includes:

- ACMI and EW Range Modernization: Maximizing Pilot Training With Diminishing Resources
Paul Vavra, Business Development, DRS Technologies
- Feasibility and Sustainability of Jet Pilot Training in the 21st century
Jakub Fojtik, Head of Business Department - Defence & MRO Division, Aero Vodochody
- Simulation and Air Force Integrated Training System
Ivo Gamba, Technical Director, VR Group
- Contract Air Services: Building Partnership Aviation Capability
Saint Lehtinen, Business Development Director, Draken International
- Integrated Training System Integration
Peter Eadie, Strategy and Business Development Manager - Defence and Security, CAE

View the two-day agenda and register online at <http://www.fastjettraining.com/einpresswire>

In addition to the array of industry presentations at Fast Jet Pilot Training Eastern Europe, make sure

you also don't miss out on the Czech MoD sessions:

1. Overview of the New International Training Centre

Brigadier General Libor Stefanik, Commander, Czech Air Force

Brigadier General Libor Stefanik, Commander, Czech Air Force will discuss why the new centre is needed for the Eastern European region and how it will improve interoperability of NATO pilots during missions.

2. The Czech Approach to Fast Jet Pilot Training

Colonel Petr Tomanek, Chief of Combat Training, Czech Air Force

Gain insight into the current synthetic training programmes in place to assist the training of new pilots, and find out what the Czech Air Force is doing to improve the capabilities of its fast jet pilots. Adaption of training regimes to meet increased pilot numbers, and the prospect of permanently buying and increasing Gripen numbers will also be highlighted.

3. The Czech Air Force's Air Combat Capabilities

Colonel Petr Hromek, Commander of the 21st Tactical Air Force Base, Czech Air Force

Receive a case study on Czech pilot participation in NATO Air Policing Missions and military operations abroad. Discussion will also be centered on the operational history of the Gripen in Czech service and how this has greatly enhanced Czech Air Defence capabilities.

Plus, join us for the Complimentary Site Visit to Aero Vodochody's Production Facility:

At the end of Day One, SMI is proud to announce that our lead sponsor Aero Vodochody, will be hosting drinks reception and site visit, showcasing their latest aircraft models, including the L-39 GN, in their main hangar facility. Join us and network with leading jet training experts from the region in this unique and exciting environment.

Unlike other events, Fast Jet Pilot Training Eastern Europe stands out as the most senior and focused Fast Jet Training meeting in the region, with over 10 Air Force Commanders and Senior Training Officers confirmed to speak.
