

# MEDraysintell to showcase its reports at SNMMI in San Diego

*Come and see our 1,800 pages of unrivaled intelligence covering Nuclear Medicine, Cyclotrons, Brachytherapy and Proton Therapy*

LOUVAIN-LA-NEUVE AND LALAYE, BELGIUM AND FRANCE, May 10, 2016 /EINPresswire.com/ -- MEDraysintell will display its series of market reports and directories with over 1,800 pages of unrivaled intelligence covering [Nuclear Medicine](#), Cyclotrons, [Brachytherapy](#) and [Proton Therapy](#), during the SNMMI – Society of Nuclear Medicine and Molecular Imaging– congress (San Diego, CA, USA, June 11-15, 2016). <http://www.snmmi.org/am2016>

MEDraysintell is gratefully hosted by the company ANMI and visitors are welcome at booth #230.

Nuclear Medicine World Market Report & Directory, Edition 2015 is a 930 pages report & directory describing and analyzing over 335 radiopharmaceuticals and radionuclides and more than 160 companies and institutions active in nuclear medicine.

Cyclotrons used in Nuclear Medicine, Edition 2015 is a 350-page report

providing an extensive review of all cyclotrons around the world (over 1,200) with an exhaustive profile of the 14 companies active in this market.

The global brachytherapy industry is evaluated in a new and updated MEDraysintell report and directory, providing in a 340-page document a complete description of the radionuclides and devices used in brachytherapy, and a detailed profile of 62 companies and institutions active in this field around the world.

Proton Therapy world market report, Edition 2015 is the most comprehensive evaluation of the world proton therapy industry. This report includes a complete market review and contains a detailed profile

The graphic features the MEDraysintell logo at the top, which consists of a stylized atomic symbol with three overlapping orbits in blue and orange, followed by the text 'MEDraysintell' in blue and orange. Below the logo is the tagline 'Bringing value to businesses and investors'. The main body of the graphic is a dark blue rectangle with white text. It reads: 'Strategic intelligence for the radiation healthcare', 'A series of expert market reports and directories', 'Nuclear Medicine', 'Cyclotrons', 'Proton Therapy', and 'Brachytherapy'. At the bottom of this rectangle is the website address 'www.medraysintell.com' in white text on an orange background. At the bottom of the entire graphic is a larger version of the MEDraysintell logo.

of all promoters, manufacturers or developers of proton and carbon therapy equipment.

MEDDraysintell reports and directories can be customized to specific areas or modalities. Sample pages and complete table of contents are available upon request. MEDDraysintell also welcomes your requests for specific intelligence needs in these areas.

We look forward to seeing you in San Diego!

About MEDDraysintell

Strategic intelligence for the radiation healthcare  
Bringing value to Businesses and Investors!

MEDDraysintell is a team of international experts providing first-rate strategic intelligence in nuclear medicine, radiotherapy, proton therapy and brachytherapy.

We offer the most comprehensive set of reports and directories, with over 1,800 pages of unrivaled intelligence covering some of the most exciting healthcare technologies using radiation for diagnosis and treatment. We offer client-specific intelligence in the field of radiation healthcare, with the upmost knowledge leveraging our extended network of worldwide contacts. We are proud to support numerous companies globally, helping them better understand the markets, competitive environment as well as the potential of merger and acquisitions (M&A) and technology development. We have repeat satisfied clients operating in the field of medical radiation, investment banks and institutional investors, large international consulting firms and universities research laboratories.

MEDDraysintell was created in 2013 by Paul-Emmanuel Goethals and Richard Zimmermann. It combines over 40 years of experience in radiation healthcare. [www.meddraysintell.com](http://www.meddraysintell.com)
