SMi Group

Day one of the conference will address topics on regulatory developments and updates, the rise of complex combination products for PFS, and formative studies of human factor engineering. Day two explores technological advancements in manufacturing, competitiveness of products, and patient concerns.

Pre-filled Syringes West Coast 2016

A post-conference [workshop](#) on June 8th will focus on Human Factor Engineering for Pre-Filled Syringes and Autoinjectors. Hosted by Core Human Factors, the session will cover the regulatory requirements for human factors work on medical devices, comparisons between the regulatory requirements in the US and the EMEA region, and will discuss when, and how, to go about planning human factors activities.

For the full event agenda including all speakers and their topics please visit the event website on www.prefilled-syringes-westcoast.com/EINPR

PFS West Coast 2016 will provide delegates with an unrivalled networking platform including a [post-conference lunch](#) sponsored by ZebraSci, Inc. The networking lunch will be held at Stone Brewing World Bistro & Gardens and includes beer flight tasting. This is the perfect opportunity to meet and discuss core issues of pre-filled syringes with industry colleagues.

This offer is exclusive to the first 40 Pharma and Biotech. For more information please contact Fateja Begum on +44(0)2078276184 or e-mail fbegum@smi-online.co.uk

Alongside lead sponsor ZebraSci, Inc., SMi's Pre-Filled Syringes West Coast 2016 is proudly sponsored by Bosch Packaging Technology, DDL, KBI Biopharma, Mitsubishi Gas Chemical, Noxilizer, Steris, Terumo and Zeon. For tailored sponsorship and exhibition opportunities contact Alia Malick on +44 (0) 20 7827 6168 or email: amalick@smi-online.co.uk.
