

TryMyApps Launched Its Android App to Help People Make Money with Android Devices

Recently, TryMyApps launched its Android app. From now on, people can download TryMyApps app into their Android phone and use it to earn cash.

CHICAGO, ILLINOIS, USA, May 10, 2016

/EINPresswire.com/ -- [TryMyApps](#) is an agency that offers people chances to make money with smartphones and get paid apps for free, which is widely followed a great number of people around the world. Also, this company helps developers to promote apps via [app store optimization](#). They released its iOS app as soon as it came into the industry. Recently, they launched its Android app. From now on, people can download TryMyApps app into their Android devices to earn cash.

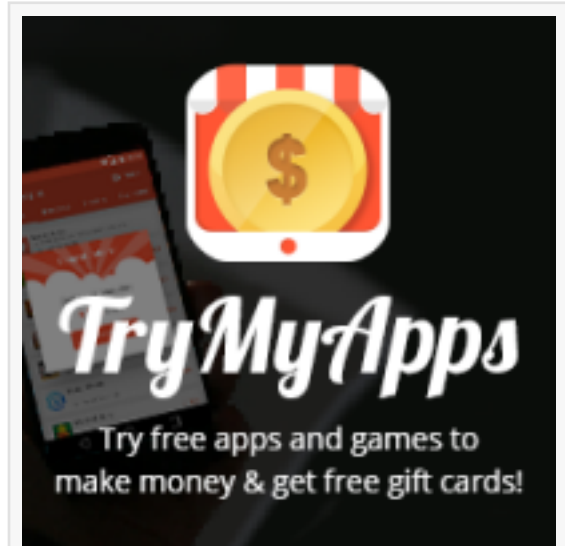

TryMyApps Android app is very popular with Android device users because of its good usability, high rewards, and easy withdrawal. Although it has just been released for a week, it is followed by tens of thousands of users around the world. Now, read the following parts to learn details of its advantages.

TryMyApps is one of the best easy-to-use apps to make money online. After installing it on Android devices, people can start to make money instantly. Once they open TryMyApps Android App, they will see 4 parts of this app clearly, including EARN, REDEEM, SHARE and ACCOUNT. Besides, people even do not need to create an account with this app, the ACCOUNT part includes their UID, country, points, etc.

People can earn points by installing and trying apps listed in the EARN part. This company provides numerous tasks for users per day and pays up to 500 points for completing a task. In TryMyApps, 600 points equal to \$1. Therefore, people can earn \$1 by just completing 2 tasks. The more task people complete, the more points they will earn. There are many people making even \$20 per day with TryMyApps Android app.

People can redeem their earned points into PayPal cash, iTunes gift card, Google Play gift card, Amazon gift card, Xbox gift card, Steam gift card, Facebook gift card for games and apps, Skype gift card and much more. As for cash, people can redeem their points once they get 600 points. When redeem, they just need to fill in their PayPal account and valid email. TryMyApps will send users payments as soon as they received a redeem request.

Also, TryMyApps offers people more chances to make money online. In the SHARE part, people can share their unique referral code to their followers on Twitter, Facebook and Google Plus to earn points. People will get 100 points by sending TryMyApps 1 new user. Besides, this company launched its third lucky round event, as for detailed, ready [this post](#) or visit to TryMyApps Facebook page.
