

VLCC partners with Progressive Infotech for PAN India.

DELHI-NCR, UP, INDIA, May 9, 2016 /EINPresswire.com/ -- Noida, May 9, 2016: Progressive Infotech (www.progressive.in) a leading player in IT Infrastructure managed services was selected as the IT partner for 'VLCC'. Progressive infotech is expected to manage VLCC 160 retail stores across PAN India including their corporate office and 2 warehouses. Progressive Infotech has been quite successful in supporting the growth of retail partners including Jubilant Foodworks (Dominos) & Vishal Megamart. Progressive understands the business priorities and challenges retail business face and has ably supported to them in their operations. VLCC win further reinforces Progressive's retail capabilities and opens the door for future prospects with other retail giants.

Speaking on this occasion, Mr. Prateek Garg said "VLCC selecting Progressive as an IT partner validates our strategy and commitment to meet client expectations. Multiple wins in highly dynamic retail business certify that whatever we are doing, resonates well with the client. Our strategy is very simple - "client success is our success" and that is what is relayed to the team. I like to congratulate the team and thank our clients to have faith in us".

About Progressive Infotech

Trusted IT partner since 1998, Progressive Infotech provides a comprehensive suite of transformation and support services. The offerings span across cloud, digital and support operations, delivered through a matured and scalable service delivery model. In every client engagement, Progressive ensures clients realize higher ROI, stretch the intrinsic value of existing IT investments and are better prepared for emergent market changes.

The state of the art hybrid 24X7 NOC, global vendor partnerships with market leaders (AWS | Microsoft | Asigra) and strong multi-platform experience of supporting clients across the US, MENA & Asia Pacific geographies have enabled Progressive to be part of clients' growth story. Progressive Infotech is consistently featured as a "mature vendor for IT Outsourcing" in the Gartner hyper cycle report for ICT in India for last few years.
