

Nitrile Rubber Market Data Now Available at Intratec Website

NBR supply, demand and trade data, available online to support business and market analysts, consultants and strategic planning professionals

HOUSTON, TX, USA, May 16, 2016 /EINPresswire.com/ -- Intratec Solutions LLC, the leading source for chemical markets data and production cost reports, now offers online access to Nitrile Rubber (NBR) market data, including supply, demand, installed production capacity, import and export figures.

A graphic featuring a photograph of an industrial chemical plant at night, illuminated by yellow lights. Overlaid on the right side of the image is the text "Nitrile Rubber Market Data" in a bold, black font. Below this, in a smaller font, is "Free Online Charts". At the bottom right, the Intratec logo is displayed, consisting of the word "INTRATEC" in a spaced-out font with a small circle around the letter "A", and the website address "www.intratec.us" below it.
