

Deal Flow for Corporate Oil & Gas Players

LONDON, UNITED KINGDOM, May 17, 2016 /EINPresswire.com/ -- The 14th Africa Independents Forum 2016, held 25-26th May in London at the Waldorf Hilton, being hosted by the Global Pacific & Partners / ITE Group Plc JV, gathers together leading independents and corporate players worldwide and from across Africa, both listed and unlisted, large and small, established and new entrants, and provides enhanced exposure to the wider Africa-wide upstream industry in oil, and gas, exploration and development, including issues in crude oil and financial markets, engaging equity financiers, banks, private equity and investors found on the AIM and LSE, in the City, Paris and Frankfurt, as well as related service and supply industry parties and transaction advisors, with specialised Africa analysts and geoscience firms drawn from around Africa, or based in Europe, United States, Australia, Asia and elsewhere.

Alongside and within the 14th Africa Independents Forum 2016, they are hosting:

- 75th PetroAfricanus Club- World Upstream Reception: with Guest Speaker: Phil Loader, Executive Vice President, Global Exploration, Woodside Energy, Perth, Australia
- 4th Africa's Hydrocarbon Arguments Discourse: On Shaping Africa's E&P Future
- Special Panels: on Africa Oil & Energy Finance and Investment featuring key investors and institutions funding and financing equity and debt for corporate oil and gas across Africa.

This unique Forum showcases leading independent companies with acreage

and portfolio assets held in the Gulf of Guinea, Northwest Africa, Maghreb-North Africa, Central Africa, Eastern and Southern Africa; and in landlocked and littoral frontier states.

Reshaped and enhanced in 2016, the Forum has 40 speakers, providing an unparalleled corporate insight into current and emerging exploration plays and capital development projects, corporate E&P strategies in-place, the winners and losers, and the unlocking of Africa's large and yet-to-find hydrocarbon reserves, as well as key insights on the state-of-Africa's geo-economics and political economy of oil, and the issues shaping the future funding of companies and ventures in Africa's upstream.
