

Free Polypropylene Market Data at Intratec Website

PP supply, demand and trade data, available online to support business and market analysts, consultants and strategic planning professionals

HOUSTON, TX, USA, May 18, 2016 /EINPresswire.com/ -- Intratec Solutions LLC, the leading source for chemical markets data and production cost reports, now offers online access to Polypropylene (PP) market data, including supply, demand, installed production capacity, import and export figures.

Polypropylene Market Data

Within an easy-to-navigate platform, professionals interested in Polypropylene can explore data visually and analytically, to gain a solid understanding of PP market trends and dynamics, from 2007 to the present. The Database provides information for the following locations: North America, West Europe, North Asia, South Asia & Oceania, Middle East, Central & South America and Africa.

Intratec offers very cost-effective subscription plans, designed for not only professionals needing continuous access to PP market data, but also users with a sporadic need to access such information. A free, fully functional demo of Polypropylene Data is available at www.intratec.us/chemical-markets/pp-market

Intratec also offers professional and up-to-date reports focused on PP production costs, detailing capital investment and operating costs of PP plants. For more information, visit: www.intratec.us/analysis/polypropylene-production-cost
