

“Governments and Corporate Players shaping Africa’s Oil, Gas-LNG Game”

CAPE TOWN, SOUTH AFRICA, May 24, 2016 /EINPresswire.com/ -- Global Pacific & Partners with ITE Group will host the [23rd Annual Africa Oil Week/Africa Upstream 2016](#) Conference from 31st October-4th November 2016, at the Cape Town International Convention Centre, South Africa. The landmark Africa Oil Week 2016 event will continue to highlight Africa’s upstream world with insights, debate and discourse from Africa’s Governments, National Oil Companies, Licensing Agencies and leading corporate players shaping the continent’s vast hydrocarbon future, providing extensive high-level senior executive networking for securing new venture possibilities and finance/investment opportunities.

For over two decades, and with a track record of over 200 events held in and on Africa’s oil and gas game, Global Pacific & Partners’ Africa Oil Week (held with ITE Group) is widely recognised for forging corporate/state relationships across Africa and worldwide, and driving direct/foreign investment into or inside Africa’s multiple upstream landscapes.

As numerous top-level executives in the global industry have oft-noted, the Africa

Oil Week/Africa Upstream Conference stands apart from all other events as the leading meeting in or on Africa, and sits at the top of the global oil-gas calendar.

Acquire knowledge from an outstanding program with 130 top-line speakers
Negotiate deals and farm-in/out opportunities with corporates and state oil firms
Meet 40 Governments and participate in emerging acreage/asset transactions
Discuss ventures with banks institutions, institutional investors and financiers
Network with Africa’s growing service and supply industry operators and firms
Meet 160 exhibitors and over one thousand-plus senior executive delegates
Hear top corporate/state decision-makers, leading thinkers and policy-makers
Combine corporate interest with multiple five-star social occasions with peers
