

# Jill Gehr Designs Introduces Handcrafted Wearable Art to Wisconsin

*Jill Gehr launches FOUR Exclusive Collections of unique, handcrafted Designer Wearable Art in her home state of Wisconsin.*

SAUKVILLE, WISCONSIN, UNITED STATES, June 1, 2016 /EINPresswire.com/ -- Capturing the beauty of nature and art from the world around us, Wisconsinite Jill Gehr, has taken jewelry to new artistic heights with her stunning handcrafted resin pieces using original photographs and paintings, and transforming them into perpetual marvels.

Jill Gehr Designs' Wearable Art line will consist of four vibrant collections. The first three collections are being brought back due to popular demand with new and exciting pieces! Loren's Collection, inspired by her talented daughter; comprise pieces created in springtime hues of apple-red, creamy beige, and sky-blue. [Desert Bloom Collection](#); a striking combination of azure, absinthe, and black. Amethyst Collection. Its namesake describes this stunning combination of sweet and sensual amethyst shades. Gehr's newest collection, The Winner's Circle Collection was designed to celebrate all the "WINS" in life. Designed for those who dare to take risk, the sophisticated black and white checkered design represents victories of accomplishing goals no matter how big or small! All four collections will debut June 1, 2016. The inspiration for Wearable Art was born from a need to express the secret love of God's beauty surrounding us, and a love of self expression through art and photography. This blossomed our slogan, - "From Sassy to Classy - Exquisite handcrafted pieces of art, unique as the individual who wears them." Be Bold! Be Daring! Be Unforgettable! Be YOU!
