

Accure Appoints UK Based Barry Shakespeare as Chairman

ANNANDALE, VA, USA, May 23, 2016 /EINPresswire.com/ -- [Accure](#), Inc., a [big data analytics](#) company, announces today the appointment of Barry Shakespeare as Chairman of the Board. Barry has over 30 years' experience within the telecommunications, computing, software, services and security industries with extensive

experience of both technology and software product solutions. He has held board level positions with both high technology equipment vendors and channel organisations, and has a proven track record in driving change and profitable growth in large multi-national corporate environments. In addition, he has built successful start-up companies with both trade sale and IPO exits.

“

With Barry's extensive experience in the UK and EMEA, we are well positioned to explore new business opportunities in these regions. This will certainly help accelerate our growth.

Shamshad Ansari, President and CEO

Barry served Nortel Networks as President of Enterprise Sales, EMEA region. During his time at Nortel he was responsible for Cable & Wireless as Global Carrier Account and latterly he led the EMEA Enterprise business unit for Enterprise sales. Barry also held the role of Strategic Advisor for Wipro focused on the Vodafone global account within the Carrier and Service Provider global business unit.

“It is a privilege and an honor to work with Barry and learn from his vast experience of software business. With his extensive experience in the UK and EMEA, we are well positioned to explore new business opportunities in these regions. This will certainly help accelerate our growth.”, said Shamshad Ansari, President and CEO of Accure.
