

VertexFX partners with award winner National Bullion House iFX Expo International

Vertex FX, and successful bullion trading functionality with National Bullion House, a physical bullion investment house, at the upcoming iFX Expo.

DUBAI, UAE, May 24, 2016 /EINPresswire.com/ -- Dubai - Vertex FX, the global technology provider, will be showcasing its innovative and successful bullion trading functionality with [National Bullion House](#), a physical bullion investment house, at the upcoming iFX Expo International 2016 in Cyprus.

“

Using VertexFX offers a hassle-free process to purchase bullion bars and coins with clients being able to manage their bullion investment portfolio from anywhere around the globe.”

Saber Mbarek, founder and managing partner at National Bullion House

National Bullion House recently won Best Official Physical Metals Broker Supplier award at the 16th MENA Financial Forum & Expo held in Dubai, UAE. They predominantly trade physical gold and other precious metals along with wide range of services such as wealth management, and investments in mining and exploration.

NBH will showcase their premium services of physical gold trading online through VertexFX at the iFX Expo International

as they look to expand the successful business operation. They offer retail and wholesale customers competitive tariffs and high quality of services that save time and money when it comes to investing in gold and other precious metals.

Saber Mbarek, founder and managing partner at National Bullion House, said: “We have been trading in the bullion markets through VertexFX for a number of years and our investors value the fact that they can trade all precious metals - gold, silver, platinum and palladium physically and online through this effective trading platform.”

With VertexFX individual and corporate customers can simply place a buy order and the purchased commodity can either be sold online in the spot market or can be closed for a physical redemption in bullion bars/coins, which can be delivered to the customer's doorstep anywhere in the globe.

Samer added: “Using VertexFX offers a hassle-free process to purchase bullion bars and coins with clients being able to manage their bullion investment portfolio from anywhere around the globe.”

Akram Majed, CEO of [Hybrid Solutions](#) added: “By using our VertexFX, National Bullion House are a perfect example of how businesses are able to offer customers dynamic investment tools that allow them to take advantage of the volatility in the metals market. They are a great example of how brokers and investors can benefit from our unique trading platform.

“VertexFX offers users the ability to make informed investment decisions through the platform in real time thus locking the price they want to deal at, and we want to highlight the benefits of our service at the Expo.”

VertexFX and National Bullion House will be on Booth 50 at iFX Expo International 2016 which will be held on the 25th and 26th of May, 2016 in Limassol, Cyprus.
