CHICAGO, ILLINOIS, USA, May 24, 2016

/EINPresswire.com/ -- Since it was established in 2012, [BestReviewApp](#) has been dedicated to helping iOS, Android and Mac app developers to increase app ranking and rating by gathering quality reviews and high ratings from real app users around the world. Recently, this company built a partnership with a reliable app store optimization company - [ASOTop1](#).

After building a partnership, they put the backlink of each other on their homepages. Now, people who click the App Store Optimization button on BestReviewApp homepage navigation will be led to ASOTop1 and those who click the link in ASOTop1 PARTNER part will be directed to BestReviewApp.

BestReviewApp is an app promotion platform, dedicated to increasing app ranking and rating in app stores. This company also helps app users to make money by installing, trying, reviewing and rating apps and get paid apps for free. Up to now, this agency is followed by hundreds of thousands of app users around the world.

For developers, it is easy and affordable to promote their apps on BestReviewApp. They just need to click the Get in button at the official homepage to create an account. Then, they can add their app URLs and choose the number of reviews and target countries to start promoting their apps. Once their campaigns start, BestReviewApp users in the target countries will install and try their apps. After trying, users will write quality reviews with app keywords and rate the apps with 4/5 stars.

In BestReviewApp client area, developers can see the detailed reviews they get from BestReviewApp users. If they are not happy with the review contents, they can contact BestReviewApp support team and the support staff will inform their users to improve their reviews. Therefore, all reviews this company provides are guaranteed with high quality. To learn more about BestReviewApp service, visit [this page](#).
