

# Emirates Driving Institute partners with Al Salama Fire Safety Training

DUBAI, DUBAI, UNITED ARAB EMIRATES, May 29, 2016 /EINPresswire.com/ -- FOR IMMEDIATE RELEASE  
May 29th, 2016

Emirates Driving Institute partners with Al Salama Fire Safety Training

Dubai, UAE – Emirates Driving Institute (EDI), UAE's oldest and largest driving school, today announced a strategic partnership agreement with Al Salama Fire Safety Training L.L.C, the UAE's leading and largest fire safety training company. Through this partnership, Al Salama will utilize EDI facilities and premises to deliver Fire Safety and First Aid Training, approved and accredited by the Dubai Civil Defence, in accordance with UAE Council of Ministers Resolution No. (24) for the year 2012 (Federal Law No. 505) and the Dubai Civil Defence strategic vision.

EDI partners with Al Salama Fire Safety Training

Mr. Amer Belhasa, Managing Director, Emirates Driving Institute & Ms. Mania Hossaini, Managing Director, Al Salama signed the agreement on behalf of their respective organizations, together initiating the largest and most widespread fire safety training program accredited by Dubai Civil Defence. With the establishment of three partner training facilities across the Emirate of Dubai, in Al Quoz, Al Qusais and Port Rashid, safety training services provided by EDI and Al Salama will additionally include driver training, driver road risk reduction, and Highfield Approved First Aid training. Al Salama will also provide fire safety and first-aid training to EDI staff.

In a joint press statement Mr. Amer Belhasa stated, “EDI has always been a socially responsible organization that has worked relentlessly in spreading safety messages related to driving and children’s safety, to communities for over a decade. Since EDI has a people centric outlook and cares for people and their safety, this partnership will be fruitful, as communities at large will benefit from the fire safety and first aid training conducted by Al Salama.”

This partnership addresses the increasing demand for fire safety training services, in accordance with Federal Law No. 505, which now requires all employers to provide adequate training in fire awareness to members of their staff. Hossaini affirmed, “Together with EDI, we stand firmly behind the UAE’s Vision 2021, to fulfill this requirement, and make the UAE the safest country in the world.”

###

## About EDI:

Emirates Driving Institute is the largest and the most successful Driving Institute in Dubai and the Middle East and has been in operation since 1991. Around 500,000 students have acquired their driving licenses from EDI since then. EDI has a fleet of over 1000 vehicles in different vehicle categories such as Light Motor Vehicle (LMV), Heavy Bus (HVB), Heavy Truck (HVT), Shovel, Forklift, and Motor Cycles. It has over 1000 qualified Male and Female Instructors of different nationalities who can instruct the students in their primary language making it easier for them to take their driver training.

The driving tuition standards are set at International levels and driving tuition methods are continuously updated to make use of the latest driving techniques.
