“My passion for formulating the rules for success started 15 years ago when my landlord at the time shared with me some of his insights for managing finances. Starting from that day, I started looking for patterns in people’s behavior, so I could make generalizations allowing me to formulate some rules based on the lessons I learned the hard way,” shares Karahan when asked about the inspiration behind his book.

“The book has plentiful information when it comes to searching for success. The readers need different perspectives from different sources, so they can make a synthesis of what they need to do,” states Stacy Baker, Acquisitions Editor for [Tate Publishing](#).

Published by Tate Publishing and Enterprises, the book is available upon its release, through bookstores nationwide, from the publisher at [www.tatepublishing.com/bookstore](http://www.tatepublishing.com/bookstore), or by visiting [barnesandnoble.com](http://barnesandnoble.com) or [amazon.com](http://amazon.com).
