

California author shares discovery of special box making

Author Helena R. Chung excites young readers as she crafts a story full of discoveries and imaginations in her juvenile fiction, "Inside My Special Box."

SAN JOSE, CALIF., UNITED STATES, June 1, 2016 /EINPresswire.com/ -- SAN JOSE, Calif. – Author Helena R. Chung excites young readers as she crafts a story full of discoveries and imaginations in her juvenile fiction, "Inside My Special Box."

A story of love and joy, "Inside My Special Box" is a creative children's book about the lessons found inside the special box that is filled with fun and cherished things, and goodness of God.

"My Sunday school students, ages 2-4, inspired me to create a picture book and prayer which led me to add poetry to the pictures. The picture book was made 3D and each page represented some of the things that the students were mostly interested in such as toys, sweets, and imaginary things. I shared with my students that even an adult as myself, enjoys those things but the important thing is that those things in my life, no matter how great they are, means so little compared to the love of Jesus and how He died on the cross for us," shares Chung when asked about the inspiration behind her book.

“

"It is a great message book to spread the love of Jesus."
Stacy Baker, Acquisitions Editor, Tate Publishing

"The illustrations and the poetry are attractive and fun to children. For adults and parents, it is a simple read and a light book to carry in a handbag. Most importantly, it is a great message book to spread the love of Jesus," states Stacy Baker, Acquisitions Editor for [Tate Publishing](http://www.tatepublishing.com).

Published by Tate Publishing and Enterprises, the book is available through bookstores nationwide, from the publisher at www.tatepublishing.com/bookstore, or by visiting barnesandnoble.com or amazon.com.

Chung is married to Joseph Chung and has 4 daughters, Elizabeth, Sarah, Hannah, and Lily. They currently reside in San Jose, California and both are entrepreneurs. Chung graduated from the Institute of Children's Literature and has a dream of spreading the gospel through her literature as well as teaching English as a second language for missions around the world.
