/EINPresswire.com/ -- BROADVIEW HEIGHTS, Ohio – Author Angela M. Ols inspires young readers as she tells a story of enlightenment and allegiance through colorful pictures in her children's book, "What is a Vote?"

A story of dedication, adherence, and devotion, "What is a Vote?" is an illustrative children's book about a little brother who wants to know about the election, so his older sister tells him through images.

"My own children were the inspiration for writing this story. They understood that when they turned eighteen, they could vote, but they didn't understand that voting is something that they do every time they voice their opinion," shares Ols on the inspiration behind the book.

“

“Children enjoy the colorful illustration as they walk through the story, and picture themselves in a classroom voting for ice-cream or cake.”
