

# Texan author instills determination in religious book

*Author Justine Marie Nettleton motivates readers as she crafts a story of eagerness and power-packed success in her Christian life book, "God Talker."*

FT. WORTH, TEXAS, UNITED STATES, June 3, 2016 /EINPresswire.com/ -- FT. WORTH, Texas – Author Justine Marie Nettleton motivates readers as she crafts a story of eagerness and power-packed success in her Christian life book, "God Talker: Arise & Shine with Personalized Scriptures for Victorious [Living from Genesis to Revelation. 2nd of Arise and Shine!](#)"

A story of faith-inspired and heart-warmth, "God Talker" is a devotional book about the opportunity for the serious Christian believers to apply God's word, promises and sayings to every day living.

“God had a minister speak to me in a dream about cleaning (sanctifying) my ears (hearing). That was during the 1997-99 time-frame. It wasn't until I was reading a One-Year Bible when I realized I could highlight every encouraging verse and then typed each of those inspiring phrases into my computer. While typing, I decided to rewrite the verses as they pertained to me in the first person. From there, I attempted to put together an audio version, simply for my own listening purposes. What happened then resulted in finding [Tate Publishing](#) who would help me put all my work into book form. They ultimately provided me with an audio version. That was 2009. To this day, I listen to that book as I sleep. Since then, I rearranged and added to the first version to finally publish 'God Talker' which will also be in an audio format. So the total time frame would be 19 years or so.

“

“This revolutionary collection of encouraging personalized verses is a unique and creative way to train and educate the reader and listener to teach their way of speaking.”

*Stacy Baker, Acquisitions Editor, Tate Publishing*

Honestly, it is still a work in progress and will be till He is finished with the church generation,” shares Nettleton when asked about the inspiration behind the book.

“This revolutionary collection of encouraging personalized verses is a unique and creative way to train and educate the reader and listener to teach their way of speaking what to say in order to create the God life all Christians seek, cherish, desire, and the life that God has called the believer too,” states Stacy Baker, Acquisitions Editor for Tate Publishing.

Published by Tate Publishing and Enterprises, the book is available upon its release, through

bookstores nationwide, from the publisher at [www.tatepublishing.com/bookstore](http://www.tatepublishing.com/bookstore), or by visiting [barnesandnoble.com](http://barnesandnoble.com) or [amazon.com](http://amazon.com).

In 1997, Nettleton began her theological education with the Life School of Theology while living in Florida. She would continue that education when she moved to Arizona, Texas, and Ohio. Moving has been an essential part of Justine past but it also created challenges to her completing her BA in Theology. She would finally graduate in 2013.

Nettleton has lived in many locations across the United States and in Europe, meeting people across the globe. In her ministry, Justine shares the love of God and the Day of the Lord of Hosts, Jehovah Tsaba, as God's glory comes to the body of Christ. "God Talker" is already having a widespread effect for this Christian business entrepreneur and educator.
