

California author inks tale on adventure and enjoyable, family reading

Author Jack L. Parker partners with Tate Publishing to kick-start the publication process of his action-packed fiction, "The Valley of Tranquility."

ROSEVILLE, CALIF., UNITED STATES, June 3, 2016 /EINPresswire.com/ -- ROSEVILLE, Calif. -- Author Jack L. Parker partners with [Tate Publishing](#) to kick-start the publication process of his action-packed fiction, "The Valley of Tranquility."

A tale of fun, excitement, and dreams, "The Valley Tranquility" is an adventure-action fiction about a boy with his two friends who have seen a beautiful valley for the first time and hoped to be able to fulfill their dreams.

"My late sister-in-law, Linda, urged me to write The Valley of Tranquility. Sadly, she passed away before it was finished. The book took approximately one year to write," shares Parker when asked about the inspiration behind the book.

"Readers find 'The Valley of Tranquility' to be a real page turner. A book so engrossing they do not want to end."

Taylor Michaud, Acquisitions Editor, Tate Publishing

"Readers will find 'The Valley of Tranquility' to be a real page turner. A book so engrossing they will not want it to end," states Taylor Michaud, Acquisitions Editor for Tate Publishing.

Published by Tate Publishing and Enterprises, the book is available through bookstores nationwide, from the publisher at www.tatepublishing.com/bookstore, or by visiting barnesandnoble.com or amazon.com.

Parker's sixth-grade teacher was a big influence in him becoming a writer. At one time, he was the senior editor at large for a fly fishing magazine. He writes full time, but because he is so busy writing his popular adventure travel series of novels, he no longer writes for magazines. He took a time out from writing his adventure travel series to write "The Valley of Tranquility."

Parker lives in Roseville, California, with his wife, Susan, and three small dogs. His love of fly fishing, which began when he was 11 years old, has taken him to many wonderful places. He admits, even after all of these years, he learns something new about this wonderful sport nearly every time he steps into a trout stream. At the urging of many, he is now working on a sequel to "The Valley of Tranquility."
