

Europe's Leading Military SatCom Event, Global MilSatCom returns to London in November 2016. Registration now open

SMi Reports: Over 450 Military SatCom experts from every continent, including 120 military personnel will meet in London in November at Global MilSatCom 2016

LONDON, LONDON, UNITED KINGDOM, June 2, 2016

/EINPresswire.com/ -- Europe's leading military satellite communications event, described by its audience as "the best networking event" in their calendar will bring together over 450 of the industry's key senior military representatives alongside the world's leading SatCom solution providers and operators.

For further information on the conference please go to

www.globalmilsatcom.com/EINPR

[Global MilSatCom](#) 2016 will provide updates on military SatCom programmes and new and emerging technologies.

Also discussed will be the potential for greater exploitation of commercial services to satisfy end-user military requirements, how the large demand for more resilient and protected SatCom is being satisfied, the potential for SatCom on airborne platforms in years to come as well as allied partnerships and interoperability as a solution for governments and militaries across the globe.

“

This is my first Global MilSatCom Conference and it has been a very informative learning experience. I look forward to coming back as a delegate from Canada and contributing further

*Canadian Department of
National Defence*

"This is my first Global MilSatCom Conference and it has been a very informative learning experience. I look forward to coming back as a delegate from Canada and contributing further". Canadian Department of National Defence.

In 2016 there will be over 450 attendees and over 20 Government and Military speakers. 3-day [event programme](#) features over 25 exclusive case-study driven presentations, 3 panel discussions and keynote addresses from UK MoD, UAE Space Agency, DISA and Department of National Defence Canada.

The poster is for the 18th annual Global MilSatCom event. It features a dark background with a satellite in orbit over a green and blue Earth. The text is white and yellow. At the top, it says 'SMi Group Proudly Presents the 18th annual'. Below that is the SMi logo. The main title 'Global MilSatCom' is in large, bold letters, with a globe icon for the 'o' in 'Global'. Below the title, it says '8th - 10th November 2016' and 'London, UK'. To the right, it says 'Featured Event Limited Availability REGISTER NOW!'. At the bottom, it says 'Europe's Leading Military Communications Event for Satellite Professionals'.

Global MilSatCom 2016

The complete event agenda can be viewed at www.globalmilsatcom.com/EINPR

Places are extremely limited for this event. With the event selling out for the past 12 years, those interested are advised to register before the 30th June to secure their place and save £200.

“As a newcomer to Global MilSatCom, I can tell you that I absolutely got a lot out of the event and I hope to get to future meetings. It was an excellent event and the SMI team did a fantastic job.” U.S Air Force.
