

# The Obama-Clinton Benghazi Cover-Up

*The book, [Obama, Islam and Benghazi](#) presents Obama's campaign deception of a normalized foreign policy, which was supported by Hillary Clinton.*

FOUNTAIN VALLEY, CALIFORNIA, UNITED STATES, June 6, 2016 /EINPresswire.com/ -- Orange County, Calif., June 6, 2016 –Nicholas Ginex provides a 2nd edition of [Obama, Islam and Benghazi](#). It reveals President Obama deceived the American people in his run for the November 2012 presidential election. Hillary Clinton supported this deceit by not responding to e-mails by Chris Stevens, U.S. Ambassador in Benghazi, Libya. The e-mails indicated as many as thirteen

Islamic terror attacks prior to the attack on September 11, 2012. Her failure to provide military protection for the ambassador and Obama's authorization of a Stand-Down Order led to the loss of four American lives.

[Obama, Islam and Benghazi](#) reveals there is a connection between Obama, Islam and Benghazi. It informs Americans that Obama's early indoctrination in the Qur'an has developed an affinity for Islam and their people; why the Qur'an is the source of discontent in many countries around the world; and why the Obama foreign policy deception led to poor military action in Benghazi.

The last chapter lists 36 questions provided to The Select Committee on Benghazi to validate whether the American people are justified to mistrust Obama and Clinton for their lies, which led to the YouTube cover-up story. On April 11, 2016, [Obama, Islam and Benghazi](#) was mailed with an Open Letter to every member on the Benghazi Select Committee.

The article, [The Obama-Clinton Benghazi Deception](#), presented on [www.nicholasginex.com](http://www.nicholasginex.com) provides the Open Letter.

Two weeks after the Benghazi attack, on Sept 25, 2012 at the UN General Assembly, Obama made an international threat to the world:

"The future must not belong to those who slander the prophet of Islam."

These are the words of a Muslim Leader NOT the President of the United States. Many Americans were proud to believe they voted for an African-American. It is evident that Obama is the [First Muslim-American President](#).

Will justice prevail or will our Government representatives permit the Obama-Clinton deception to go unpunished? If not impeachment of the President, at least expose for the American people the deceptive lies by Barack Obama and Hillary Clinton. It is hoped that Trey Gowdy, Chairman of The Select Committee on Benghazi and its members obtain truth and justice for the deaths of four Americans.
