Comic Creator Launches Kickstarter Campaign For Blacklock's Due

LOWELL, MASSACHUSETTS, UNITED STATES, June 8, 2016 /EINPresswire.com/ -- Blacklock's Due, a fantastical, thrilling comic that takes the reader on a supernatural adventure through hell, redemption, and a battle between good and evil, this week launched a Kickstarter campaign for garnering widespread support and financial backing to complete the comic and accompanying graphics. Written and created by John Spiller, Blacklock's Due follows the life of a son who sells his soul to save his family – and the family's journey to retrieve it thereafter.

"Blacklock's Due is a combination of epic heroism, extensive travel and adventure, and an ultimate battle between good and evil," said Spiller. "The family is tasked with saving their son, Aiden Blacklock, who made a pact with a fiend in order to stay alive after a brutal fight with a stone giant."

Blacklock's Due follows Aiden's father, John, and his wife, Cara, as they march directly towards Damnation itself to kill the devil and save their son.

The road to hell is paved with good intentions.”

Through the adventure the reader learns how bonded the Blacklock blood is, and why the road to hell is paved with good intentions.

A Kickstarter campaign has been launched to provide the art, the rewards, and the shipping for the comic.

"I want Blacklock's Due to be all it was meant to be, and that includes eye-opening graphics and rewards for dedicated fans and readers," said Spiller. "I am asking everyone to spread the word on the launch of my campaign, and to head on over to the site today to read more about Blacklock's Due."

Spiller's Kickstarter campaign has until June 30, 2016 to raise \$2,650 for the project.
