According to Ben Richardson, VP of Operations at Flippers Pizzeria, there are 19 different pizzas dads can choose from, including the Carne Di Italia, the Buffalo Chicken, and the Salsiccia Rustica among many other fresh, chef-inspired creations.

"All of our pizzas, including MyPies are baked to perfection in our signature brick ovens, which are operated by highly skilled pizza makers at each location," said Richardson. "All of our ingredients are chopped fresh that day, and dads simply love our restaurant environments, which feature flat-screen TVs, free WiFi, and comfortable seating."

"We're known for the freshest, most flavorful pizzeria menu in town, but we're also known for our great customer service—warm, friendly faces who truly care about your experience," said Richardson.

Richardson noted that many of Flippers Pizzeria locations have a nice selection of craft, local, and import beers, as well as Italian wines, soft drinks, and freshly brewed iced tea. Clearly Flippers Pizzeria is the ideal place to celebrate Father's Day, thanks to delicious fresh food, great service, and an environment fit for families—and of course, fit for a king.
