Spanning the globe and nearly a century, Horace Dade Ashton's adventures are seriously larger than life. All of the famous events he witnessed and fascinating people he met will literally astound readers. From being President Theodore Roosevelt's personal photographer to witnessing the Wright brother's first flight, to sleeping in the same room in a Tibetan monastery that Jesus did, to becoming indoctrinated in Voodoo, to meeting Rasputin and Mark Twain, to capturing snakes and bank robbers, and so much more. Horace did it all.

Releasing on June 28, 2016, "The Spirit of Villarosa" not only tells the tales of an adventurous father and a son's terrifying ordeal, but also illustrates the challenging truth of having such an illustrious father, whose beliefs and values often clash with his son's, and whose bold adventurous life choices create consequences for those around him.
