

AceShowbiz 2016's 24th Week Artist is Ariana Grande

LOS ANGELES, UNITED STATES, June 14, 2016 /EINPresswire.com/ -- [Ariana Grande](http://www.aceshowbiz.com/music/artist/2016_24.html) has shown what a "Dangerous Woman" could do, debuting her third studio album which sold 129,000 copies in its first week after released on May 20. That's why AceShowbiz.com chose to give the spotlight to the 22-year-old singer as its Artist of the Week for the 24th week of 2016. (please refer to http://www.aceshowbiz.com/music/artist/2016_24.html)

Three years since she debuted her first album, the former Nickelodeon star has transformed from a teen actress into a mature and sexy performer. As the result, she recorded the sensual record (previously called "Honeymoon") which debuted at No. 2 on Billboard 200.

The album has boasted a hit single, "Dangerous Woman", the title track which recently reached a new peak (No. 8) on Billboard 100. "I felt so empowered as a person and the lyrics...the song met me at the right time in life, and it was just the weirdest... most cosmically weird thing," Grande said of the song which was penned by hitmakers Max Martin and Savan Kotecha. "The verse lyrics make me like super emotional because I feel like I can super relate to those."

With "Into You", the second single off the album, having been released last month and reached No. 48 on Billboard Hot 100, you can expect more infectious tunes from the petite diva playing on the radio throughout the summer.
