OVERTAXED by Ali Hashemian Hits #1 on Amazon in under 24 hours

www.SmartMarketingConsulting.com

Hashemian explains throughout the book, a future of high taxes is an unavoidable fact of life—but that doesn't mean you should have to pay them. There's a difference between tax evasion and tax avoidance. The first is a crime, and the second is a perfectly legal set of financial strategies that could save you hundreds of thousands of dollars. When you're planning your financial future, investing in the right vehicles is critical.

In *OVERTAXED: Six Powerful Tax-Free Investment Strategies — and How to Use Them to Lower Taxes*, Ali Hashemian provides a salient roadmap to six of the strongest tax-free investment strategies offered in the United States. These

vehicles are no secret: they are tax-advantaged opportunities written right into the IRS codes, and using them will enable you to pay significantly lower taxes. But in order to take advantage of these investment strategies and vehicles, you have to know about them.

OVERTAXED: Six Powerful Tax-Free Investment Strategies - and How to Use Them to Lower Taxes

“

Very Detailed & Easy to Understand! For those who do not understand the complicated metrics of taxes, this book will definitely open your eyes to the world of taxation!

Amaka N. Onyioha

From Roth IRA investing to a Health Savings Account to cash-value life insurance, Hashemian navigates the murky waters of financial planning with acumen and aplomb. He breaks down complicated financial concepts in language that is easy to understand, presenting time-tested methods for protecting your hard-earned money. He explains why your living expenses in retirement may not be as low as you expect them to be, and how your taxes may even be higher in retirement than they are now ... unless you learn what you need to know about retirement investing.

[In this book](#), you'll learn more than you ever thought there was

to know about whole life insurance, 529 plans, and a health savings account. More important, however, you'll be able to plan your retirement in such a way as to maximize your enjoyment of your golden years and leave a tax-free legacy behind for your children and grandchildren—all without breaking any laws!

Hashemian's first book is a gift to both novice and sophisticated investors. Even if you think you know all you need to know about tax-free investment strategies, you're likely to learn something new from this indispensable investment guide, which shows you exactly how to accumulate tax-free wealth and avoid being OVERTAXED.

Ali Hashemian is a second generation financial planning professional and has over 15 years of experience in consulting for both corporate and personal clients. He obtained a Bachelor's degree in Mathematics and Computer Science at the University of San Diego and then went on to complete his Master's degree in Business Administration with an emphasis in Finance from the same institution. Since then, he has obtained a degree in Personal Financial Planning from UCLA and a designation as a CERTIFIED FINANCIAL PLANNER™ practitioner. Ali served as the Regional Vice President for one of the largest financial institutions in the world before going on to start his own company, Kinetic

Financial. He has given numerous speeches and is considered a subject matter expert on topics such as tax-advantaged planning, risk management, economic conditions, and financial forecasting. Along with consulting personal and corporate clients, he trains and manages thousands of financial advisors across the country.
