

Houston Locksmith Offers Area Residents and Businesses an Array of Expert Services

Local locksmith service brings a high-level, professional locksmith service to Houston residents, businesses and automobile owners.

HOUSTON, TEXAS, UNITED STATES, June 15, 2016 /EINPresswire.com/ -- Houston Locksmith is proud to be the locksmith of choice to the people of Houston and the surrounding areas, regardless of how big or small the job is.

In addition to a fully equipped workshop, the company also has mobile locksmiths who are equipped with state of the art equipment that can handle re-keying services, lockouts, programming of automotive key codes and duplication of keys on site, among many other locksmith services. In addition, Houston Premier Locksmith is able to provide a full security assessment of one's business or home and to offer affordable and innovative solutions which ensure the safety and security of one's family, employees and possessions. For any emergency requirements, Houston Premier Locksmith also provides their services 24 hours a day, 7 days a week.

As the company's Manager, Yair Frenkel, explains, "We found that there was a great need in Houston for a locksmith company that makes use of the latest technology to provide high quality results. We sought to fill this need by ensuring that we acquired modern equipment and a team of highly competent professionals that not only specialize within the locksmith industry, but who also have extensive experience in providing effective solutions to boost the security of one's home, car or business."

Houston Locksmith's company policy dictates that the lock technicians undergo mandatory training on a continuous basis to ensure they stay up to date on all the latest developments in the industry. In addition, all products used to secure residential properties have received Grade 1 certification from ANSI (American National Standards Institute).

About Houston Locksmith
