

Pharma Cold Chain Distribution: Updates from MHRA, IATA, Danish Medicines Agency, World Courier, Finnair, Sanofi R&D...

SMi's Cold Chain Distribution returns to London in December featuring case study presentations from World Courier, GSK, MHRA, Teva Pharmaceuticals, Sanofi R&D

LONDON, LONDON, UNITED KINGDOM, June 16, 2016

/EINPresswire.com/ -- Research done by Pharmaceutical Commerce shows that cold chain logistics spending is expected to increase to more than \$16 billion by 2020.* The main drivers behind this substantial growth of the cold chain market are strict requests for increase in biologics in international life science shipments.

11th annual [Cold Chain Distribution](#) Conference and Exhibition will be taking place in London, on the 12th and 13th of

December 2016. The 2-day conference returns to London featuring new case studies and round table discussions on core issues of quality control and technologies for temperature-sensitive medical products.
