

# Ikkletots Debuts New Adjustable Bandana Bibs for Babies and Toddlers

*Baby Accessories Leader Helps Modern Moms Tackle Everyday Messes in Style with New Collection of Feeding and Teething Bibs*

SYLMAR, CALIFORNIA, USA, June 24, 2016 /EINPresswire.com/ -- NEW YORK, N.Y. – Ikkletots, an emerging leader in baby accessories, announced today the launch of its new bandana bibs collection. Designed for ample coverage around the neck and chest, the versatile bibs effectively protect babies and toddlers from rashes reflux and dribble, while also serving as teething and feeding bibs.

The unisex bibs, made from 100 percent cotton, are available in four vibrant color combinations. As functional as they are fashionable, the bibs are thick, waterproof and ideal for keeping babies dry throughout the day. The bibs are designed with two sets of snaps, making them easy to adjust. The shape of the bib ensures comfort, and also makes the bib difficult for children to remove.

Baby Bandana Drool Bibs

“I am quite an addict when it comes to those bandana bibs as by now I do own a handful of them,” said a recent Ikkletots customer. “But I can’t help it because I love them so much and I can’t get over how effective they are for my baby who unfortunately suffers from reflux and eczema do to excessive drooling. These are truly a lifesaver in our house. With the help of using these bibs, his clothes are dry and so is his neck and chest, which are not irritated from the constant drool.”

Ikkletots new collection of bandana bibs are machine washable and are free from harmful chemicals, including nickel, lead, BPA and phthalates. The bibs retail for \$14.99 and are eligible for expedited shipping, gift-wrap and the Amazon Prime program. All purchases are backed by a money back guarantee.
