

## How do you get rid of those Ugly Nose Hairs!

*Going to a wedding, birthday party or conference and your father or boyfriend still hasn't removed their ugly stray hairs from their nose*

LA, CA, USA, June 28, 2016  
/EINPresswire.com/ -- Don't put up with it, invest in Aotearoa Beauty's newest Body Hair Removal technology TrimHim a [Nose hair trimmer](#) for men & women, which will ensure complete removal of all excess body hair swiftly and with comfort.

Aotearoa Beauty is proud to announce TrimHim, the newest in Body Hair Removal Technology that will make men look perfect for all occasions. No longer will they have ugly pieces of stray hair sticking out of their nose, eyebrow or beard. Its slick and ergonomic body makes it easy to use to ensure a perfect face free of all excess facial hair.

If comfort is a concern, then one needn't worry. The high-performance stainless steel circular blades will guarantee complete comfort for men when shaving. No longer do they have to deal with tugging or pulling when using our technology. All excess hair, whether it's in the nose, ear, eyebrows or beard, can be trimmed with great precision and comfort.

But one may ask if such simple technology would wear away quickly and be easy to break. Aotearoa Beauty has taken this into consideration and has ensured that the trimmer is resilient through a rubberized body that is resistant to impact, and a protective pad will ensure that the blade remains long lasting to provide for long-lasting comfort. Don't worry about power consumption, all you need is a AA-size battery (not included) to keep the trimmer running.

So why not go out and buy one today where you can benefit from our sale on Amazon and receive your nose trimmer at \$13.95, a reduction from the original price of \$34.95, meaning you save \$21.00. Make your man suited for the occasion for a lower price. Just make sure he gets to the event on time.
