

# CSE: Helping Sustainability Professionals Achieve Excellence

*Join the community of the 5,000 Certified Sustainability Executives!*

CHICAGO, ILLINOIS, USA, June 28, 2016 /EINPresswire.com/ -- Having completed 10 years of professional education and specialized advisory services for Sustainability and Corporate Responsibility in more than 30 countries worldwide, the [Centre for Sustainability and Excellence](#) (CSE) is today established as one of the global leaders in the field.

CSE is proud to have gained the trust of the majority of the Fortune 500 companies, with more than 5,000 Sustainability and CSR Executives who have attended the accredited training programs in order to expand and update their knowledge. It can also boast of a striking portfolio of more than 100 clients, such as NASA, the Government of Dubai, the European Investment Bank (EIB), Eurochamber of Commerce, Coca Cola, Lloyds banking group, ABM, Blackberry, Nestle, UnderArmour, Pfizer, ADNOC Group.

The mission of CSE has always been to empower Corporate Responsibility professionals and enhance the sustainability momentum. Its driving force beyond the balanced training agendas, the trainers' expertise, or the international recognized certifications that participants acquire. The driving force for CSE is the participants' satisfaction which is expressed in their views and opinions about the programs.

CSE is happy to present some of these testimonies and will remain committed to its mission to offer advanced, certified education to professionals seeking to make a positive contribution to our planet.

"Very well built training. The thought balance between depth and breadth of topics worked well"  
NELSON MUMMA JR, Coca Cola

"Controversial issues were explored and challenging case studies were presented" VALENTINA

BRICENO-STROCCHIA, University of Toronto

"The case studies and the interaction with other members of the group. Applying theory to "real" business and organizations" SAMANTHA PEELE, Louis Vuitton

"It was great how relevant the instructors made it to our organizations. We were constantly learning how to implement the strategies and ideas back at our companies. Super relevant!" DANIELLE CONNOR, Pan American

"Very well structured, thoroughly and clearly covers all CSR matters. Learned about the importance of materiality assessment, impact assessment and stakeholder engagement" MASAKO HIROKI, Panasonic

"The training is very insightful and up to date. I gained heavy and rich knowledge on CSR" SHOWG MUDHAPAR, Abu Dhabi Tourism & Culture Authority

"The interactive nature of the course, the detailed knowledge of the trainer and the use of practical examples to share and enhance knowledge" KERRY HORVATH, Queen Mary, University of London

With its new [Certified Sustainability Practitioner Program](#) sessions in Toronto, Arlington, Milwaukee, Atlanta, London and Dubai, CSE continues to attract executives from different countries, companies and business sectors.
