

# TraceGains Offers Webinars on FSMA's Produce Safety Rule and FDA's Changes to Food Nutrition Labels

DENVER, CO, UNITED STATES, June 28, 2016 /EINPresswire.com/ --

TraceGains, the leading Food Safety and Quality Assurance (FSQA) software solution for food and consumer packaged goods (CPG) companies, has released its summer webinar schedule. Topics include how to comply with the Food Safety Modernization Act ([FSMA](#))'s Produce Safety Rule and the U.S. Food and Drug Administration's ([FDA](#)) changes to nutrition labels for food and supplements.

TraceGains' popular "FSMA Club" webinar series continues on June 29 and July 13 with a two-part webinar focused on FSMA's Final Rule on Produce Safety. The guest speaker will be regulatory attorney and university professor Marc Sanchez, Esq. who will explain the FDA's new standards for growing, harvesting, packing, and holding produce for human consumption.

"FSMA Club has been our most popular webinar series to date," said TraceGains CEO Gary Nowacki. "Food safety and quality assurance professionals have a thirst for information and guidance on how to prepare for FSMA. Marc Sanchez has become a trusted advisor for them and we are proud to help facilitate these webinars to give the audience an opportunity to ask questions."
