

# The next generation system for Tour Operators

---

*Aviate has unveiled a next generation booking system for Tour Operators*

CHESTER, CHESHIRE (COUNTY), UNITED KINGDOM, June 29, 2016 /EINPresswire.com/ -- Aviate has unveiled a next generation booking system for Tour Operators, featuring over 30 major airlines who between them offer an extensive global network to over 300 worldwide destinations.

The system, called Aviate Next Generation, is the first stage of an overall plan to revolutionise the way Tour Operators search, book and ticket flights using one easy to use navigate system. The first stage of Aviate Next Generation features many benefits, such as -

- All airline partner fares in one place
- Search by individual airline or across all Aviate partner airlines
- Filter on route, stops, airline, duration and cost
- No hidden mark-ups
- New lowest fare search
- Quote, book and ticket online 24/7
- No deposits to hold bookings
- Multiple payment methods available
- IT and Seat Only fares available
- Ticket bookings made in your own Amadeus
- Full ticketing deadlines given as per airline contracts and clearly labelled
- Chat to experienced UK reservations team live

Michael Edwards, Managing Director of Aviate said 'Aviate continues to be at the forefront of innovation and our relationship with our Tour Operators has always been, and continues to be our number one priority and this is just another example of our commitment to making Aviate the best in the industry to work with.'
