“Over the last 24 years in the real estate business, giving back to the community has always been a large part of my commitment to my career. We are always looking for opportunities to do so. Heroes Home Advantage provides a direct impact on buyers and sellers who are the backbone of our community including teachers, firefighters, law enforcement, first responders, health care professionals, and men and women in the military. I served in the Army Reserves from 1981 – 1987 immediately out of high school, and that experience has shaped my path to my life and career today. With this opportunity we are thrilled to be able to give back to our dedicated local heroes and show our appreciation with what we do best, helping home owners and buyers.” Said Diane Beck. The Heroes Home Advantage real estate rebate program is available for all members of the military, law enforcement, firefighters, first responders, health care professionals, and teachers. Anyone in those lines of profession is eligible, whether they currently or previously served their country. For more information about Heroes Home Advantage, visit HeroesHomeAdvantage.com.
