Ms Aspa Lekka, Managing Director of foodpanda Malaysia said: "We love spreading the gift of love and happiness, and there is no better time to do this than Malaysia's most important holy month, Ramadhan. Other than experiencing the iftar culture, we also want them to experience some of KL's best-known food through our vendors."

Before the buka puasa meal, foodpanda's crew spent some time occupying the children with activities and indoor and outdoor games while also distributing goodie bags to them. The home, which is located in Taman Muda Ampang, houses children and young adults aged from 10 months old to 23 years old.

foodpanda will also be handing over a sum of RM4000 to the orphanage to help with their expenses and budget for the year to come. Ms Lekka also said that this will not be the end of foodpanda's CSR campaign for the year, as they have exciting plans for the near future.
