

# AceShowbiz 2016's 26th Week Artist is Calvin Harris

---

LOS ANGELES, UNITED STATES, June 30, 2016 /EINPresswire.com/ -- [Calvin Harris](#) is back with new infectious beats that are going to be played in every house party and night club. Looking to repeat the success of 2011's "We Found Love", he used the same formula by teaming up with Rihanna for a new collaboration, "This Is What You Came For" and it's more than enough reason for [AceShowbiz](#) to choose him as its Artist of the Week for the 26th week of 2016 (please refer to <http://www.aceshowbiz.com/news/view/00098579.html>).

You might find his name on headlines recently due to his sensationalized breakup with Taylor Swift, but Harris had already made his name long before he dated the pop superstar, storming U.S. music charts with his third studio album "18 Months" in 2012. Moving on from his heartbreak, the 32-year-old The Scottish DJ has released the music video for "This Is What You Came For", which has entered the Top 10 of several music charts in the U.S.

The song was released as the first preview of his upcoming new album and if the performance of "This Is What You Came For" is any indication, he's going to score more hits. Among the anticipated songs from his new set is a new collaboration with John Newman, whom he worked with for 2014's hit "Blame" off his fourth album "Motion".
