

KAJ Brothers' A Cappella National Anthem Will Be The Best Thing You'll Hear On The 4th Of July

Many call the KAJ Brothers' rendition of the Star-Spangled Banner the best they've ever heard.

ORLANDO, FLORIDA, USA, July 4, 2016 /EINPresswire.com/ -- There are few patriotic songs that can stir the heart, mind and soul as much as The National Anthem. "The Star-Spangled Banner" was used officially by the United States Navy in the late 19th century and became the National Anthem by Congressional resolution in 1931. The song came from a poem written by Francis Scott Key in 1814 titled "Defense of Fort M'Henry," based on the British Royal Navy's attack on Fort McHenry during the War of 1812.

The Star-Spangled Banner has been sung by thousands of people and groups during the last century, but many people believe the KAJ Brothers a cappella version is the best they've ever heard.

The KAJ Brothers are Kyle and Austin Craichy and Johnny Atys.

"I'm really excited about our version of the National Anthem," Austin Craichy said. "I am proud to be an American, so naturally, this song is quite special to me."

“

"This is one of those songs that brings us together as Americans no matter what is going on in the country; politics are set aside, just uniting under our amazing flag."

Austin said that when the KAJ Brothers were working on the song and video (produced by award-winning producer and director Kyle Saylors), they wanted to strip the song down to strictly vocals (acapella) so the power of the lyrics would be illuminated.

"If you close your eyes and really listen," Austin said, "you can see the song. This is what music is meant to do."

Kyle Craichy is also excited about how well their version of [The Star Spangled Banner](#) has been received.

"Our country has had a lot of issues come up that seems to be dividing us and we wanted to do what we could to bring everyone together as Americans," Kyle said. "This is one of those songs that brings us together as Americans no matter what is going on in the country; politics are set aside, just uniting under our amazing flag."

The Star-Spangled Banner has four stanzas, but only the first stanza is usually sung as the National Anthem.

"Oh, say can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars thru the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rockets' red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh, say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?"

The KAJ Brothers are an amazing, talented trio of young male artists who have crafted a unique style of harmonies and sophisticated Pop/R&B sound that distinguishes itself by its reinvention of romance filled orchestral sounds similar to Michael Buble', Harry Connick, Jr., Frank Sinatra, N'Sync, Boyz II Men, and Kenny Rogers. The multi-talented Orlando based trio consists of 22-year old Kyle Craichy, vocals, piano, guitar, and dance; 20-year old sibling Austin Craichy, vocals, piano, guitar, drums, and dance; and 29-year old Johnny Atys, vocalist and national dance champion, who rounds out the group. Kyle and Austin were born in Tampa and raised in Orlando, while Johnny is originally from Paris, France.

The KAJ Brothers regularly work with Orlando's renowned producer/vocal coach Gerry Williams who crafted the boy band sound for N'Sync and The Back Street Boys.
