

AceShowbiz 2016's 27th Week Artist is ScHoolBoy Q

LOS ANGELES, UNITED STATES, July 5, 2016 /EINPresswire.com/ -- Staying in the game among so many hip-hop artists may be even harder than making debut in the industry. But [ScHoolBoy Q](#) (born Quincy Matthew Hanley) proves his consistency and creativity, coming up with his fourth album five years since he debuted his first LP "Setbacks" in 2011. In anticipation of his new record "Blank Face LP" which is due to hit the stores on July 8, [AceShowbiz](#) chose ScHoolBoy Q as its Artist of the Week for the 27th week of 2016 (please refer to <http://www.aceshowbiz.com/news/view/00098782.html>).

As a preview to the new album, the Germany-born rapper has released "Groovy Tony" and "THat Part" feat. Kanye West. The latter track debuted at No. 92 on Billboard Hot 100 chart and climbed to No. 69. 'Ye is not the only guest making appearance in the album as Jadakiss, E-40, SZA, Miguel and more are also lined up as collaborators on the tracklist.

As we look forward to seeing how well his album performs on the music charts after its release, you can also expect to hear his music live and get more up close and personal with the 29-year-old spitter when he hits the road for the "Groovy Tony Pit Stops", a 12-show concert tour in support for the upcoming album, which is set to kick off on July 9 in San Fransisco.
