

# Santwissen, Bangalore based Tech company, bags national leadership award for its childcare solutions

BANGALORE, KARNATAKA, INDIA, July 5, 2016 /EINPresswire.com/ -- Mr. Varun Kumar Mohandru, MD & CEO of [Santwissen](http://www.santwissen.com) Technology Solutions Pvt Ltd ([www.santwissen.com](http://www.santwissen.com)), a bangalore based company was honoured for their excellent work towards child care and safety at 78th National Seminar on Individual Achievements and National Development organized by Indian Economic Development & Research Association (IEDRA) together with All India Achievers Foundations (AIAF).

Santwissen has introduced a wearable child care watch under the brand name [SantWatch](#) with state of the art GPS, Phone, Bluetooth (Indoor proximity

detection), Mosquitor repellent, Pedometer, and other care sensors.

The prestigious award "Leadership award" was presented by Dr. GVG Krishnamurthy, Former Election Commissioner of India, Dr. Bishma Narain Singh, Former Union Minister and ex-Governor of 7 states, and Honorable BP Singh, Former Governor of Sikkim. Among the other esteemed dignitaries were Mr. Sangram Singh, Advocate at Supreme Court of India, Maj. Ved Prakash, Secretary AICC, Mr. Vijay Singh, Secretary IEDRA and Mr. Roonak Shah, Industrialist from Maharashtra.

Speaking on the occasion, Dr. GVG Krishnamurthy highlighted in a witty manner that "IT +IT = IT" later explaining to the baffled audience that "Indian Talent + International Technology equates India of Twenty first century". He felt immensely proud of our recent achievement that we sent 20 satellites in one day to space.

Everyone's chest was filled with utter pride when Dr. Bishma Narain Singh narrated the answer from Mr. Rakesh Sharma, after he landed on moon and Smt Indira Gandhi asked him, "How does India look from above?". The reply was; "Saare Jahan Se Acha Hindustan Hamara" ("India is the best in this whole world". He also guided to follow the 3 Gandhian principles: 1) Love your Mother 2) Love your mother tongue 3) and love your motherland. He concluded by urging the young leaders to take the poor of the Nation along as they grow.

Mr. Sangram Patnaik infused inspiration by narrating a story about Michael Jordan, the famous

basketball player who felt inspired after a series of challenges his father gave him to sell cheap used clothes at way above the market prices and he achieved that by drawing cartoon characters or getting a chance signature by a popular actress. Michael Jordan was made to think, if an ordinary piece of cloth could appreciate its value, why not he as a human and the rest is history.

Mr. Patnaik also congratulated the awardees on their risk taking capabilities and optimism, which he believes are synonymous with successful entrepreneurs. He quoted Mark Zuckerberg, founder of Facebook, "In this dynamic world full of uncertainty, Not taking any risk is the only strategy that is bound to fail"

Honorable BP Singh, accounted for the recent Brexit and India's stance at NSG and connected with the audience by mentioning that simple congratulations for any award can simply be done by saying the word "Congrats" but he was there to "Celebrate" the achievements of the leaders from their respective fields.
