Screening in a State of the Art Theatrt,
Competition and/or Distribution

ABOUT: For years, The New Media Film Festival has led the way in the pursuit of stories worth telling, the exploration of

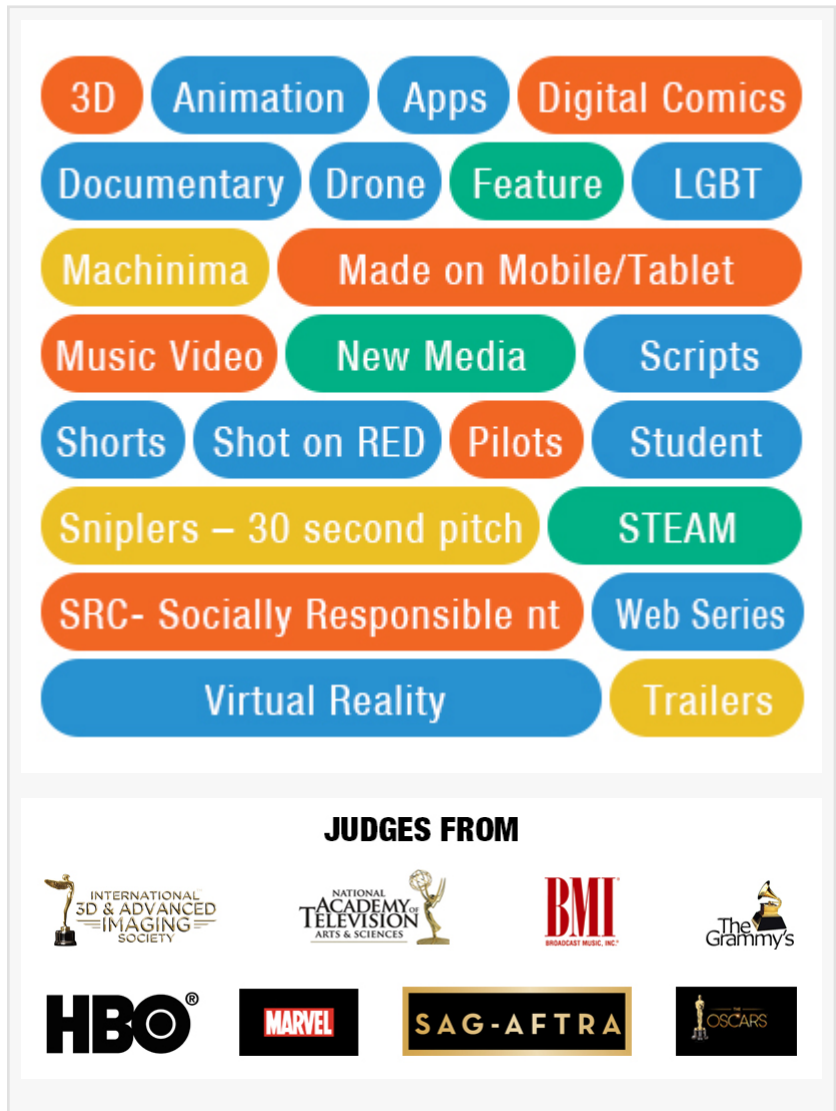

new media technologies, boundary pushing resulting in new distribution models and creating and establishing new methodologies in the global monetization of content. The New Media Film Festival embodies the transformative power of the cinematic arts and it reaches across cultural bridges to web story and technology for everyone.

QUOTES:

"If the TED Conference is where technology, entertainment and design meet in a broad forum, then the New Media Film Festival is its cinematic counterpart." - VG

"I thank the New Media film festival for what they've done for young filmmakers." – Legendary Director Roger Corman

There will be a Best of [Winner](#) for each category: 3D, Animation, Apps, Digital Comics, Documentary,
