

MATCH PRO MEDIA OFFICIALLY LAUNCHES SOLAR MATCH PRO WEB PROPERTY

BOCA RATON, FL, US, July 6, 2016 /EINPresswire.com/ -- Match Pro Media, a multi-vertical lead generation company that utilizes a multi-channel approach to web expansion and exposure for clients, this week announced they have officially launched Solar Match Pro's web property for business and consumer interaction.

Solar Match Pro, a home solar matching service with a specialization in determination of state and federal incentives, will help local homeowners identify solar programs in the area and match them to installers for huge potential savings.

"It's our passion to continue growing our web portfolio organically and through the acquisition of quality businesses that integrate with our eco system. Our goal as a lifestyle enhancement company is to make the total digital consumption experience easier for everyone involved while also helping to better every day people's lives." said David Siegel, Founder and Owner of Match Pro Media. "We're excited to announce Solar Match Pro is officially ready for homeowners interested in upgrading to Solar."

Match Pro Media has a combined 30+ years of experience in the lead generation industry. The team is dedicated to researching, planning, and implementing custom strategies to clients of all sizes across all industries.

Indicative of their simplified and efficient approach to digital lead generation, Solar Match Pro's new website makes identifying the business principles, services, and free options easier than ever before.

"The world of digital lead generation is ever-changing, and it's our responsibility to know what resonates best with consumers at any given time," said Mr. Siegel. "With Solar Match Pro, we went at it from an eye-catching, simplistic angle to attract consumers interested in switching to Solar alternatives. We're incredibly satisfied with the finished product, and are encouraging everyone to head on over the platform and check it out today."

Solar power is an exploding industry across the nation.
