BR FINANCE SOLUTIONS LAUNCHES WEBSITE

New York, NY: Today, BR Finance Solutions is proud to announce the launch of their website; <http://www.brfinancesolutions.com>, which will enable more people to gain access to funding solutions. Through the use of the internet, people across America will now be able to obtain funding for all aspects of life including and not limited to renovating a home, purchasing a new car, taking a vacation, and/or starting a new business or growing a current one. Whether the company is helping people

rebuild their credit or provide them with funds to advance in life, BR Finance Solutions will be there every step of the way.

According to Rebecca Matalon, CEO of BR Finance Solutions, the company's goal is to put people back in control of their lives, by giving them the opportunity to become more than just a number. "We strive for success and aim to help as many people as possible across America obtain funding they never thought possible," says Rebecca.

As a premiere lending group, BR Finance Solutions offers complete transparency with a free consultation and absolutely no upfront fees. Unlike traditional banks and lenders, the company's financial experts provide people with 0% APR lines of credit for 12-24 months.

With a simple 3 step process, and a free consultation, everyone will be eligible for credit funding solutions. The first

step in the process is to provide contact information and obtain a credit report. Next a financial expert will contact the person and assess the credit profile. Once that is complete, the person can be pre-qualified for funding up to \$500,000 and obtain these funds within days. If the person does not pre-qualify, there is still a hassle free solution. Instead, the financial expert will assist in repairing the person's credit bringing it to a score of 650+. Once the credit score is considered very good or excellent, that person can then be approved for a line of credit in the amount requested. Unlike most

funding programs, people only pay back what they use from the line of credit. This means that if the person only chooses to spend \$5,000 out of \$50,000, the person is only responsible to pay back the \$5,000.

Additionally, there are never any upfront fees, out of pocket expenses or monthly recurring charges for BR Finance Solutions' programs.
