

Flash Memory Summit's Best of Show Awards Seek Entries

The 11th Annual contest is currently accepting nominations for four award categories.

SANTA CLARA, CA, USA, July 8, 2016 /EINPresswire.com/ -- The Flash Memory Summit (FMS) awards offer companies the chance to gain industry recognition of their products and solutions through its Best of Show Award Contest. The 11th Annual contest is currently accepting nominations for four award categories. The categories include; Most Innovative Flash Memory Consumer Application, Most Innovative Flash Memory Enterprise Business Application, Most Innovative Flash Memory Technology, and Most Innovative Flash Memory Customer Implementation.

"These industry recognized awards give winners the ability to build their brand as an innovative leader in the flash marketplace," says Jay Kramer, Awards Program Chairperson. The best part is that the Awards Program is available to all companies in the Flash storage ecosystem. Winners will be announced and prizes awarded at the Flash Memory Summit on Wednesday, August 10, 2016 during the evening reception in the Exhibit Hall.

Don't miss the chance to have your company's solutions in the public spotlight. Nominations close Friday July 15th. Full details can be found at http://www.flashmemorysummit.com/English/News_Info/BOS.html
