MOSCOW, RUSSIA, July 10, 2016 /EINPresswire.com/ -- Fashion and cinema collide in Cannes, for a red carpet and parties' glamour at the [69th Cannes Film Festival](#). The Cannes Film Festival has historically hosted one of the most glamorous red carpets on the movie circuit. After lots of red carpet, daytime and Cannes parties' looks, we've picked the best dressed women from the Cannes Film Festival 2016. However, we must admit: It was hard to do, especially because Alexander McQueen, Versace, Dior and Chanel were among the most-worn labels throughout the festival. In addition, celebrities like Charlize Theron, Kristen Stewart, Blake Lively, Kirsten Dunst and Bella Hadid wowed us on multiple occasions.

Our pick of the best beauty look of Cannes Film Festival 2016 is Russian actress [Elena Khlibko](#) with her gold shining dress in Madonna's style and 80's spirit bomber-jacket!

Since Elizabeth Taylor's historic Bulgari jewels made their debut in the 50s, stars have brought out their best for the

premieres and parties. This year, Elena Khlibko was wearing brutal and grunge [Steampunk BDSM](#) jewelry.

Considering the reaction for this look from the Internet and beyond, we wouldn't be surprised if it goes down in history as one of the most memorable Cannes looks of all time.
